More Blooms, More Often

A robust, tall variety with light green foliage and striking ruffled blooms that offer shades of orange-pink and specks of red, Autumn Monarch works well as a background plant.

| | | |
|--|--|---|
|  | Dark orange-pink, semidouble blooms with red freckles measure 2.5" across. | |
|  | <p>Intermediate</p> <p>Averages 5' high x 4' wide</p> | <p> Light shade to full sun</p> |
|  | Well-drained, slightly acidic soil | <p> Hardy in USDA zones 6A-10</p> |

Rhododendron 'Roblezd' PP32967

Blooms in Spring, Summer & Fall!
