

Autumn Sangria®

ENCORE
A Z A L E A
More Blooms, More Often

With one of the largest blooms in the Encore Azalea collection, a fast-growing dense habit, and a gorgeous dark pink and green color combination, Autumn Sangria is well suited as a specimen or a foundation planting.

	Dark pink, single form blooms measure 3.5" across.	
	<p>Intermediate</p> <p>Averages 4.5' high x 4' wide</p>	<p></p> <p>Light shade to full sun</p>
	Well-drained, slightly acidic soil	<p></p> <p>Hardy in USDA zones 6A-10</p>

Rhododendron 'Roblezd' PP32967

Blooms in Spring, Summer & Fall!

Encore® Azaleas are more compact & more sun tolerant.
